MISSION FACTS

According to one survey, Muslims have a more favorable view rating than do some evangelical groups. 27% of Americans see Muslims in a favorable light, 31% in an unfavorable light.

HEART CHECK

Study your city. Find out how many world religions are in your back yard. Where do they worship? Shop? Hang out? Go to an area where you might find people of diverse faiths. Sit quietly. Pray. Listen to what the Holy Spirit might say to you about these people. Educate yourself on how you and others might reach this mission field. How do we most effectively share Christ with them? With fresh tools, ask God to help you pray, then care, then share – with one.

THE MANDATE

Then Joshua said to the children of Israel: 'How long will you neglect to go and possess the land which the LORD God of your fathers has given you?' (Joshua 18:3).

THE MEDITATION

Lord, we see them everywhere, the Muslim women who proudly wear a hijab and the men who carry with them their prayer mats. We barely mention publically that we are Christians, even here in America. We resist identifying symbols or actions. They are evangelizing us. They are claiming wounded men in prisons who feel unjustly treated, and making them Muslims. They are buying up entire neighborhoods in some of our inner cities. Setting up chains of small grocery stores in impoverished urban areas, they are using them as literature, recruiting and deployment stations for their causes. They have an intentional and national strategy to claim this nation.

Lord, we have no such plan. And sadder still, we do not have nearly the equal resolve. We maintain. We are not mission-minded. Forgive us, Lord. We are losing the whole nation – to Islam, to Harry Potter, to not-so-innocent occult practices, to non-Christian world religions, to paganism and to atheism.

How can we be still? How can we move so blindly from church to the buffet line? From home to work? Can we not see it happening around us? Whatever you want us – no, me – to do, it begins in prayer. Today, I ask you to help me to remove the cover from my light, to be salt outside the salt shaker.

Pray for the Harvest one Sunday a month.

Pray for the Harvest one Sunday a month.

**UNREACHED
PEOPLE GROUP
TO PRAY FOR**
Badaga of
Karnataka, India

**MISSION
QUOTE**

Prayer opens the way for God Himself to do His work in us and through us. Let our chief work as God's messengers be intercessors; in it we secure the presence and power of God to go with us.

INTERCEDE FOR...

MONDAY – FIND the Unreached

The pantheistic Hindu religion provides a very different worldview than that of the Christian Bible. Pray that the worldview of the Badaga would be enlightened and their hearts would be open to hearing the Gospel.

TUESDAY – NETWORK Servant Leaders

There are some Badaga who reported themselves as Christians to the India census. Please pray these people will clearly understand what it means to know and follow Christ, distinguishing this from a mere cultural identification with the Christian religion. Pray the Holy Spirit will lead them into all truth.

WEDNESDAY – INVESTING

Pray that the Badaga people, especially those that are younger, will learn of the availability of the Jesus film and other videos and recordings on the Internet. Pray the Lord will lead them to download, view, and listen and that the Lord will give them understanding.

THURSDAY – SENDING

Pray for pioneers who would have a heart for the Badaga people, who would be willing to go forth and penetrate India.

FRIDAY – HARVESTING

The Badaga are a relatively wealthy people, and this often leads to pride. Pride is deadly, so please pray against the effects of pride in this community.
